Automation is driving the decline  
of banal and repetitive tasks  
-Amber Rudd

Automating Jira since 2007  
Grown to all major products  
Integral part of Atlassian ecosystem

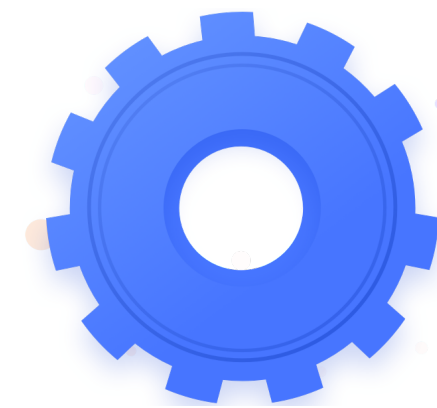

# Automation

## Different types of automation

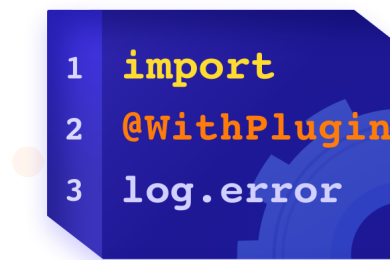

### Instance wide

- Affect the entire instance
- Modify the look and feel
- Implement governance

### Workflow specific

- Most used functionality
- Multiple ways to implement
- Most straight forward use of automation

### One-time automations

- Console
- Fix problems
